Just received, a line of beavers in all new shapes. MRS. M. ARCHDEACON.

One hundred and fifty witnesses were summoned to testify in the United States Court at Cincinnati yesterday in the suit of Dr. Louis A. Grimes of Concord against Dr. Samuel C. Stevenson of Manchester. The dispute was over damage which Dr. Grimes claims was done to his farm when Dr. Stevenson, his neighbor, dammed up the ditches that drain their two farms, the results being that his ground was overflowed and the crops ruined.

A GREAT RECORD

Dr. Leonhardt's Internal Pile Remedy Makes 98 Per Cent. of Cures

Dr. Leonhardt's Hem-Roid has been tested in several thousand cases and was successful in all but 2 per cent.

Hem-Roid's wonderful record is due to the fact that it is an internal remedy. The cause of piles is internal, and it is too much to expect to cure piles with ointments, suppositories or operations. Hem-Roid cures the internal cause.

The stars are due to fall on the nights of November 12th, 13th and 14th. The display this year will not approach anything like the brilliance that from time to time has been observed.

The melancholy days are come, the saddest of the year. Of waiting winds, and naked woods, and meadows brown and dead.

Heap'd in the hollows of the grove the withered leaves lie dead; They rustle to the eddying gust and to the rabbit's tread.

Say, Hunters, can't you just fairly FEEL that wind and see the rabbit scurrying over the fields? It's a little too early yet, but now's a good time to get your

Gun and Shells, Hunting Coats and Leggings.

We have a swell and nobby line this year, complete in every detail, and can fit you out. Come and see.

A feast will be served at Mr. Mullikin's Restaurant tonight to a few invited guests, and the goose will occupy a position of honor in the center of the table, to which all present will pay homage and do ample justice.

They fit like a glove, yet are so elastic the body has absolute freedom of motion. The ever increasing popularity of the union suit proves its correctness. Easy to put on, never out of place, yet no more expensive than two-piece suits. Corsets

Have your new suit fitted over a Warner or Redfern Corset.

Well-informed women know the real beauty of a gown depends upon the lines of the figure; and for this reason the first step in providing a new costume should be securing a properly shaped corset. The corset making is of the highest character throughout.

Prices range from \$1 to \$6. Corset fittings given careful and skillful attention.

Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger but not dyspepsia. The confirmed dyspeptic "is fit for treason, stratagems and spoils." The man who goes to the front for his country with a weak stomach will be a weak soldier and a fault finder.

A sound stomach makes for good citizenship as well as for health and happiness.

Diseases of the stomach and other organs of digestion and nutrition are promptly and permanently cured by the use of

Woman's Beauty

Some women retain their beauty to an advanced age. But women, who regularly endure pain, age rapidly, for suffering leaves its lasting marks on them.

Nearly all women suffer more or less with some form of female trouble. It should not be neglected. Avoid the pain—treat yourself at home by taking Cardui, as thousands of other women have done. Begin at once and give Cardui a fair trial.

TAKE CARDUI

It Will Help You

Mrs. Katie Burlison, Goreville, Ill., tried Cardui and writes: "I suffered with female troubles, and was so sick I could not stand on my feet. Finally I began to take Cardui, and soon began to mend. Now I am able to do all my housework and am in much better health than I was before." Try it.

A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair,
No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the head is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Yesterday noon an overworked Second street clerk of the male persuasion, whose eyes were evidently dimmed by strenuous dissipation of the night previous, ambled into Taylor's Book Store and in a faraway voice, said: "Give me a pound of oyster crackers, right quick." The bookworm and sage of the literary establishment replied in a suave and laconic manner—a peculiar way of his own—"Young man we feed the brain, not the stomach, in this store. Your wants will be supplied one door West." And such is life.

A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbagoes, backache, pains in the kidneys or neuralgia pains, to write to her for a home treatment which has repeatedly cured all of these torments. She feels it her duty to send it to all sufferers FREE. You cure yourself at home, as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. SUMMERS, Box R, South Bend, Ind.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.

Kilming Lodge of Masons of Cincinnati has been presented with a silk American Flag by President Taft and Charles P. Taft. This Lodge made the President a Mason "On Sight."

In Franklin county the farmers are forming an organized band to exterminate dogs. With in the past week about thirty sheep have been killed. Tom Arnold's flock was visited and ten of his finest sheep were slain. John Mitchell lost four, but was on the lookout, and shot one of the dogs. The flock of Judge A. B. Calvert was visited and fifteen sheep were killed.

Three thousand mountain lions slain in California in two years explains the plentifulness of deer this season. While humans may hunt deer for but a few months in the year, the mountain lion is obliged to respect no season, it hunts every month, and it slays does as well as bucks. Sportsmen estimate that an active mountain lion kills and devours an average of twenty-five deer in twelve months. Thus, by the killing of 3,000 of the "varmints," the lives of at least 75,000 deer have been preserved in the last two years for the men with the guns and ability to use them. Some of these animals are of great size, measuring twelve feet from tip of nose to end of tail, while eight-footers are common back in the sparsely-settled mountain districts.

JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is. Now supposing you had a bad back. A Lame, Weak or Aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far-away places. It's different when the endorsement comes from home.

Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case:

J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says: "I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it will be the means of helping some other sufferers from kidney trouble in finding relief. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant dull pains across my loins. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. I at length heard of Doan's Kidney Pills, procured a box at J. J. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have not had backache or any other symptom of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
